Finance & Accounts

- The institution maintains total transparency in finance and accounts.
- Every financial year an annual budget is prepared and expenditures are made accordingly.
- DDO/Principal does all financial transaction and keeps the financial records of the college.
- Every financial year income-expenditure audit is done by a Chartered Accountant.
- Audit report is submitted before Governing Body of the college for the approval.
- All transactions are done through bank and the college has been trying to switch into a cashless mode.
