

## **Internal Quality Assurance Cell**

### **SAPEKHATI COLLEGE**

**(Affiliated to Dibrugarh University)**

## **Programme Outcome & Course Outcome of B. A. Programme under CBCS Scheme**

Students who graduated from this college under Dibrugarh University will be able to gather knowledge on economic theories and issues, social development, historical knowledge, critical political thinking, and knowledge of Assamese and English literature.

During the three-year course at the undergraduate level, students will be able to acquire sufficient knowledge of social science and humanities and the evolution of the democracy and culture of Indian societies. They will also be able to understand social issues, sensibility, and contemporary developments which affects everyday lives.

Students will be able to understand the world, their country, democracy and its functioning, its economics, their society, as well as themselves, and have awareness of ethical problems, social rights, rights and duties of the citizens, values, and responsibility to the self and others.

The Course also aims to develop knowledge of theories, concepts, and research methods in humanities, history, social sciences, and political philosophies of ancient, medieval, and modern thinkers.

After graduation students will be empowered with critical thinking to act over for the solution to various social issues that prevailed in human life to make this world better than ever.

Students will be made eligible with soft skills and aptitudes to find a job for their livelihood in tourism, media, hospitality, other industries, and non-governmental organizations.
