Feedback Report: 2017-18

Feedback is an essential part of education it explores the strength as well as weakness of the teaching learning process. As a part of academic assessment, the IQAC of Sapekhati College prepares a questionnaire of 8 Nos. of questions to collect feedback from the students of final semester. Each question is of point 02 to point 06 rating scale and find out the strength and weakness of teaching learning process. Every department of Sapekhati College collects feedback report from its final semester students. After collecting, the feedback sheets are analyzed by Feedback Committee and make suggestions for further improvement.

After analyzing the feedback sheets the following points are noticed –

1. The feedback reveals that the teachers complete the syllabus on time.
2. The feedback shows that the behavior, subject knowledge, teaching method of teachers is excellent.
3. The students are satisfied with the social responsibility of teachers, principal and office staff.
4. The behavior, time devotion, work efficiency of principal and office staff are satisfactory.

Suggestions:

1. The teachers should give importance on much use of blackboard or whiteboard in the classroom.
2. The students should be encouraged for co-curricular activities.

Feedback Report: 2020-21

The covid-19 has affected this academic session. Lock-down, partial lockdown have affected teaching learning process. Teachers have given importance on online mode of teaching and learning.

After receiving the feedback sheets, the feedback analysis committee analyses these and find out the following issues.

1. The feedback reveals that the teachers complete the course on stipulated time.
2. The feedback reveals that the subject knowledge, time devotion, behavior of teachers are excellent.
3. The professional attitude, co operation time devotion of principal and office staff are satisfactory.

Suggestions:

1. Besides taking classes in classroom the teachers are suggested to continue classes through online mode.
2. Importance should be given on organizing skill development programme for the benefit of students.

Feedback Report: 2021-22

The IQAC collected feedback sheets from the final year students. The Feedback Analysis Committee has analyzed the feedback sheets and identified the following issues and recommended for necessary action –

1. The feedback shows that the teachers have complete the classes on time.
2. Majority of the students are found satisfied with the teaching and evaluation method and social responsibility of teachers.
3. The report reveals that the behavior, work efficiency and skillfulness of principal including office staff are satisfactory.

Suggestions:

1. By using the ICT tools teacher should develop a well-organized teaching learning environment in classroom.
2. Career awareness programmes should be organized for the students.
3. Besides the course content more information have to be provided to the students.
